

INFORMED CONSENT

I, the undersigned, declare
hereby that I, as a participant in a research project in the Department of Experimental
Clinical and Health Psychology / in the Research group Learning and Implicit Processes /
under direction of Sean Hughes at Ghent University,

- (1) have been informed about the research objectives, the questions and the tasks that I
will encounter during the research and that I was given the opportunity to receive
further information if desired;
- (2) will participate out of free will in the research project
- (3) give informed consent to the researchers to store my data confidentially
and process and report my data in anonymized form;
- (4) am aware of the option to stop my participation in this research at any moment in time
without having to provide a reason;
- (5) know that participating or stopping my participation in the research has no negative
consequences of any kind for me;
- (6) am aware of the option to ask the researcher(s) for a summary of the results after the
study is finished and the results have been known;
- (7) agree that my data may be used for further analysis by other researchers after
complete anonymization;
- (8) am aware that UGent is the responsible entity with regards to the personal information
collected during the study. I am also aware that the data protection officer can give me
more information about the protection of my personal information. Contact: Hanne Elsen
(privacy@ugent.be).

Read and agreed on the (date),
